Three Sisters Estate Home with Spectacular Views

Located on a prime lot this masterfully constructed timber frame detailed home was custom designed to take in majestic mountain views. It features four bedrooms, four baths and three fireplaces. The main living area has vaulted ceilings, exposed timber beams and a hand crafted floor to ceiling rundle rock fireplace. The kitchen is a chef's dream with walnut hardwood flooring, alder cabinets, quartz countertops and commercial grade appliances.

This home also offers a lower level two bedroom suite providing your guests the ultimate in comfort, independence and privacy. Not to be missed by any discriminating buyer who is looking for luxury and attention to detail.

Disclosure: The seller is a licensed real estate broker in the province of Alberta.
