157 Cougar Point Road

Bright and Spacious Single Family home in quiet family neighbourhood

This spacious single family home on Cougar Point Road has undergone recent renovations adding slate tile in the entry way as well as granite in the bathrooms. The main level of this Cougar Point home features newer hardwood through out with 3 bedrooms and 1 bath plus an ensuite off the master bedroom. Closet organizers adorn the bedroom closet. There is also access to the large deck from the master bedroom. Lots of sun pours through your south facing living room window allowing for spectacular views of the mountains across the valley. Cozy up to the wood burning fireplace with your favourite book from the built-in bookshelf in the living room. The bright spacious kitchen flows directly into the dining area which also allows for access to the large deck overlooking the fully fenced yard. The lower level is fully finished with carpet throughout the enormous family room. There is also 1 bedroom and 1 bathroom in the lower level as well. This house needs to be seen.
