Sunny Townhome in a Convenient Location

A bright, spacious townhome in Cougar Creek close to convenience store, hiking trails, school and playgrounds. The large living space is has vaulted ceilings and is accented by a wood burning fireplace. It extends onto a deck with plenty of sunshine and looking out onto spectacular mountain views.

The dining room and kitchen complete the level and extend onto another deck with access to the back yard. Cherry hardwood flooring throughout the living area and slate in the foyer are a few of the upgrades. The upper level offers a mastersuite complete with an ensuite bath and a walk-in closet. Two more bedrooms and a large space ideal as a workshop or extra storage complete the home.
