Two Bedroom Corner Unit with Fantastic Views

Stunning views and location at Collier's Ridge. This two level townhouse has a wonderful open concept kitchen, dining and living room with a cozy gas fireplace complemented by a log mantle. A large deck off the dining room, Kitchen Craft stained maple cabinets in the kitchen, a powder room all with 9' high ceilings plus a large single attached garage on the entry level.

In the walkout lower level are the two spacious bedrooms, a four piece bath, laundry room all with heated flooring. The master bedroom walks out to a patio that is roughed in for a hot tub. This corner unit is excellent value in Three Sisters Mountain Village.
