Spacious Townhome in a Desirable Location

Three bedroom, three bath townhome backing onto reserve, in a private cul de sac. Open plan with lots of windows, sunken living room with a cozy wood burning fireplace. Front and back decks with plenty of sunlight and great mountain views.

Attached double car garage has direct access to the lower level. Loads of storage space and potential to develop lower level. Great location, close to downtown and the Bow River, footsteps to hiking and biking trails.
